Naples Grande Beach Resort to Reopen December 15 After Hurricane Irma

[Naples Grande Beach Resort](#) will reopen its doors on Friday, December 15, following a three-and-a-half-month closure due to Hurricane Irma. The independent, luxury resort has undergone a multimillion-dollar refresh that is reflected in its guestrooms, public spaces, pools and outdoor landscaping.

As part of the revitalization, guestrooms have been repainted and renewed with Naples Grande's "signature coastal chic aesthetic." At Aura Restaurant and the Lobby Lounge, as well as several of the resort's meetings spaces, guests will find new décor and flooring. Additional amenities that have been restored include the resort's signature restaurant, The Catch of the Pelican, The Spa at Naples Grande and the guest elevators throughout the property.

Rather than working with outside contractors, staff volunteered to assist directly with the renovations, helping with painting, landscaping and cleaning throughout all 23 acres. To welcome guests back and highlight the changes on property, Naples Grande Beach Resort will host an official reopening party in January 2018.

However, in the meantime, the resort will be offering a special Cyber Monday deal for those eager to return. Guests that book between Black Friday on November 24 and Cyber Monday on November 27 for stays during opening week (December 15 through December 26) can enjoy up to 50 percent off the average daily rate. For guests looking to visit Naples Grande in early 2018, the property will donate \$5 to Volunteer Florida for Hurricane Relief across all rooms booked on November 27.

The 474-room property is set on 23 waterfront acres adjoined by a 200-acre nature preserve and mangrove estuary.
