## FROM MOOSE SAFARIS TO SKI CAMP, HERE'S YOUR WINTER TRAVEL PRIMER

### For Some UV: Naples, FL

**Where to stay:** [Naples Grande Beach Resort](#) (grand re-opening post-Irma 12/15)

**What to do:** Chill. Golf. Play tennis. Hit the beach. Hit the spa. Repeat. And should you book from 1/26-1/28, you'd be advised to pop into the 17th annual [Naples Winter Wine Festival](#), which will bring together culinary powerhouses like Dominique Crenn, Jonathan Waxman and Nancy Silverton along with world-renowned vintners from Kary and David Duncan of Silver Oak to Olivier Krug of Krug Champagne.

**Where to grub:** The area has a loose open-toe shoe policy and the dining reflects it. It can get campy and boardwalk, but the fish fare is still on point at joints like [Capri Fish House](#) and [Pinchers Crab Shack](#). If you need your NYC fine-dining fix, head to [1500 South](#). And don't miss a ravenous night at the [Oyster Society](#), complete with live jazz.
