Naples, Florida

Damage from Hurricane Irma hasn't tarnished Naples' reputation as the "paradise coast" of Florida. This month, the city officially reopens for tourism, including the grand reopening of [Naples Grande Beach Resort](#). It took nearly four months for the 200-acre property (which sits on its own nature preserve) to get up and running again, but incoming guests will enjoy completely refurbished rooms and restaurants, and new landscaping with replanted trees and exotic flowers — all in time for the [Naples National Art Festival](#) (Feb 24–25), a lively outdoor weekend with artists spanning 18 different categories.
