The Best Places To Go in February

Naples, Florida

The sunny seaside city has officially made its post-Hurricane Irma comeback—and Naples is arguably better now than ever. In February, the area will play host to the **39th Annual Naples National Art Festival**, which lures some of the country's top artists to Cambier Park the weekend of February 24th and 25th. Beyond the art, there's also **phenomenal shopping** (check out **Marissa Collections** in the historic district) as well as **golf** (head to **Tiburón Golf Club**) and **dining** (try **Bleu Provence** for chic décor and French cuisine.) Top hotels in the area include The Ritz Carlton, Inn on Fifth, and Naples Grande Beach resort (which is known for its buzzy lobby lounge happy hour.)
