New Secluded Villas at Naples Grande Beach Resort

Naples Grande Beach Resort unveiled 50 newly renovated *Garden Villa Suites*. These secluded, custom-designed villas debuted as an additional phase of the resort's multi-million-dollar refresh following the impact of Hurricane Irma.

Each of the 1-bedroom villas features 700 sq. ft. of space with a separate living area, two furnished terraces or private outdoor patios and panoramic views of the property's tropical lawns, pools, and gardens. In addition to the villa redesign, Naples Grande has unveiled other renovations since its post Hurricane Irma opening such as updates throughout the resort's public spaces, guestrooms, spa and restaurants such as the Japanese and pan-Asian inspired lobby lounge, Mantra and The Catch of the Pelican, which has introduced a new restaurant chef and menu.

Off-season rates for the *Garden Villa Suite* start at \$359 per night; resort rates start at \$209 per night.
