Drinks on the Beach in Naples, Florida: The Quintessential Vacation Experience

8**RHODE'S END**
NORTH NAPLES **CALL NOW**

At the end of the boardwalk that leads from the parking lot for Clam Pass Park and also serves Naples Grande Resort guests, this feels like you have arrived to the Aegean Islands. Named for one of those very islands, it specializes in casual Greek eats. Its elevated deck furthers the illusion with views of white sand and blue-green seas. In addition to a small selection of beer and wine, it whips up traditional beach frozen drinks, smoothies and house specialties such as The Greek on the Beach: Cruzan rum, Southern Comfort, Sauza silver tequila, Florida orange juice and grenadine. Grilled burgers, flatbreads, salads and gyros will sound and taste like Greek to you.
