Grande donation

As the recent Restaurant Week ended Thursday night, Naples Grande Beach Resort presented members from Sizzle Southwest Florida and Florida Gulf Coast University with a check for \$4,175. This donation comes from the resort's \$5 from every meal at the Catch of the Pelican restaurant during this year's Restaurant Week, going above and beyond the \$1 suggested donation. This donation will go straight to the Sizzle's Food & Beverage Scholarship at FGCU.

Email dining promotions by the Friday before the Wednesday publication dates to features@naplesnews.com. Please include the venue's address, telephone number and website.
