Yenier Marrero

Appointed **Director of Spa & Fitness**
At Naples Grande Beach Resort - FL, USA

Naples Grande Beach Resort - the independent luxury beachside resort located in Naples, FL - announced the appointment of Yenier Marrero as the property's new Director of Spa & Fitness. In this role, Yenier will oversee the wellness program's daily operations and diligently work towards offering guests top-line services and implementing successful programming's inclusive of nutrition, exercise, and body work.

Offering over six years of work in the luxury spa and wellness industry, Yenier brings with him a belief that in order to make lives richer and more enjoyable, one must be given the necessary wellness tools in order to create this state of optimal health. As a highly qualified individual, he is constantly striving to offer guests this opportunity by looking out for the latest industry trends and ensuring that all facilities and their menus are top of the line. New to Naples Grande, Yenier is most excited to begin implementing and sharing with guests several popular additions to the property's wellness programming.

Prior to his work at Naples Grande Beach Resort, Yenier offers previous experience as a Fitness Manager and Assistant Spa & Fitness Director at the Fisher Island Club in Miami Beach, FL. Additionally, he offers skills as a member of the International Spa Association, is a Florida-Licensed Massage Therapist courtesy of Miami Dade College, a certified Group Exercise Instructor, and a Certified Personal Trainer from the Athletic and Fitness Association of America. In his native country of Cuba, Yenier received a bachelor's degree in Law from the Central University of Las Villas and worked as an attorney until his move to the states in 2012.
