New & Renovated: Luxury Abounds

What could be more inspiring for meeting attendees than a luxurious setting? Here is a selection of glam-centric properties.

Naples Grande Beach Resort

The premier independent, luxury property in Naples, Florida, has completed a multimillion-dollar renovation of its award-winning meetings and event spaces. Upgrades include the latest tech and design that pays homage to Gulf Coast mangroves and ocean waves. The 473-room resort is situated on 23 waterfront acres next to a 200-acre nature preserve. It offers 83,000 sq. ft. of indoor and outdoor event space, the most in Naples.
