NAPLES GRANDE BEACH RESORT TO DEBUT RENOVATIONS

Naples Grande Beach Resort has undergone a transformative renovation of more than \$3 million to its meeting and event spaces. Debuting Sunday, the resort's ballroom level will receive head-to-toe enhancements to its design and facilities. The spaces will offer upgrades in modern technology, along with a new, coastal-inspired design. Designed in partnership with Verve Collaborative, the renovations will be the latest set of changes to the resort following its multimillion-dollar renovation post-Hurricane Irma. In addition to Naples Grande Beach Resort's ballroom spaces, its adjacent breakout rooms are receiving renovations. For more information, visit www.naplesgrande.com/meetings.
