FYI-Food: New brunch, spring menus, motherly chocolates

Catch brunch

Naples Grande Beach Resort's own The Catch of The Pelican restaurant now serves weekend brunch 10 a.m. to 2 p.m. Saturdays and Sundays.

Favorites include a Bloody Mary Bar with more than 75 unique toppings; a Mimosa Bar with eight different base options like watermelon and white cranberry alongside fresh toppings including fruits and spices; and a Cereal Bar with more than 10 bases including whole milk, coconut milk, Baileys or prosecco, and toppings including peanut butter, chocolate chips, dried fruit and M&M's.

BRUNCH MENU

The brunch menu includes short rib and eggs, an open-face Wagyu burger, banana pancakes, chicken and falafel waffle, creme brulee-stuffed French toast, a crab Benedict, Caprese avocado toast, a tropical acai bowl and a seafood tower with eight poached shrimp, eight oysters, two Maine lobster tails and tuna poke.

Each table will get a basket that plays off the traditional bread basket but features classic throwback snacks that everyone remembers such as homemade Twinkies, Ho-Ho's and Fig Newtons. For those who pride themselves on having "the camera eat" before they do, tagged photos on social media of decorated Bloody Mary and Mimosa creations will be entered into a contest with the chance to win a future brunch for four.

Naples Grande Beach Resort is at 475 Seagate Drive in North Naples. For more information or restaurant reservations call 800-577-1124 or go to [NaplesGrande.com/dining/catch-of-the-pelican](https://www.naplesgrande.com/dining/catch-of-the-pelican).
